

[Take the survey now!](#)

Do you have a child with autism spectrum disorder (ASD) under 18 years of age?

For more information
please contact Dr. Sandra
Hodgetts @ 780-492-8416
or visit the [survey website](#).

Researchers at the University of Alberta are conducting an online survey that explores experiences and outcomes of disclosing a child's diagnosis of ASD to others from the perspective of parents with children with ASD.
