Welcome to our 2021 Summer Camp & Activities listings! It's hoped that those looking can find some exciting information for this summer. This is by no means a complete listing of all community resources, nor can we vouch for each organization. This is just a listing of some available opportunities. The second section (starting on page 5) will include services that are less disability-oriented, but may still accept participants on a case-by-case basis. These are provided as interest-oriented. Let's have the best summers we can! Please reach out for more supports as you need them. Thank you! (403) 250-5033 support@autismcalgary.com
